Recognition of Prior Learning (RPL) and Credit Transfer

If you have been working in the Disability sector for more than a year and have gained sufficient experience, you may be eligible for Recognition of Prior Learning (RPL) for one or more units. This is the acknowledgement of skills and knowledge obtained through formal training/education, relevant work experience and/or life experience.

RPL applicants need to provide sufficient documented evidence of current competence and be assessed in the workplace.

If you have successfully completed one or more units at another learning institution you may be eligible for credit transfer. In this case you must provide your original academic transcript as proof of completion.

If either of these applies, please mention it at your interview or when you enquire about the course.

Applications for RPL must be made prior to the commencement of the course.

Course Structure

The course runs from April 2024 to November 2024, and classes will be held every Thursday, 6-9pm via zoom and 1 Saturday per month, face to face training 9.30am-4pm. From July 2024, students will be required to attend practical placement two days per week, in addition to their class day. (Please note: no classes are held during the term breaks)

Students are required to complete 120 hours of placement in residential disability centre or day centre, aged care or other community settings.

Practical Placement

Practical Placement is a vital part of the course which allows the student to practice their knowledge and skills in the workplace.

Course Information Guide

Students are required to undertake 120 hours of practical placement during the course, and to attend at least two days a week. Pines Learning coordinates placements for students however students are also encouraged to organised their own placement if they choose.

To successfully complete the course students must provide evidence of regular and consistent work practice. This means attending the workplace regularly and on-time (as arranged with the service Co-ordinator or Manager). Regular and consistent work patterns also allow for a fair and valid assessment.

Students will be assessed twice in the workplace by a qualified Pines Learning assessor.

Practical Placement Guidelines

Students are covered by insurance while on placement and the welfare of the student remains the responsibility of Pines Learning. An agreement and schedule must be signed by representatives from Pines Learning and the placement Centre before placement can commence.

Pines Learning has guidelines for placement which include working a shift of no more than eight hours, and an exemption which allows students to commence placement at 7am as this is an industry expectation.

A copy of the guidelines is included as Appendix B - Student Welfare and Practical Placement Guidelines.

Training Delivery Method

The training delivery method for this qualification is a combination of self-paced learning, face-to-face classroom based learning, and practical experience in the workplace. Students will be provided with training and technical support to access and use online resources.

Students will need to access the online platform, Moodle, to submit assessment tasks. Students will be provided with training and technical support to access and use Moodle.

A copy of the Pines Learning Online Service Standards is included at Appendix A of this Course Guide, and includes details of the technical requirements.

If you have any questions or concerns please contact the Course Coordinator. Exceptions and reasonable adjustment may be possible for students unable to access or use the required technology.

Assessment Methods

Assessment will be via a combination of:

- Written tasks
- Simulations in class (Role plays)
- Observation in the workplace

- Supervisor reports
- Oral questions if required

Accredited training is assessed against a specified benchmark and is Competency based. This means that no marks are given and students are assessed as either "Competent" or "Not Yet Competent"

If a student is deemed Not Yet Competent there are at least two chances to resubmit the work.

Funding

Funding for accredited courses is provided by the Higher Education and Skills Group (HESG) with money from State and Commonwealth government. In order to access the funding, you must meet certain criteria set out below and will be required to sign a declaration.

Appendix B

Student Welfare and Practical Placement Guidelines

All students undertaking the CHC43121 Certificate IV in Disability Support are required to complete practical placement as part of the course.

Benefits of practical placement are:

- Opportunity to practice the skills and knowledge learnt in class
- Possibility for students to gain employment via practical placement

Pines Learning will endeavour to accommodate specific requests for practical placement but this cannot be guaranteed.

Student Welfare

Whilst on practical placement students are to be supervised by appropriately qualified staff. Students are covered by insurance whilst on placement. To activate the cover students are required to complete a practical placement schedule and agreement with their placement centre and Pines Learning **prior to** commencing.

Regulations require that for student safety classes will not be scheduled for more than eight hours in any one day and not outside the hours of 8.00am to 10.00pm. Pines Learning has obtained an exemption to allow students to start practical placement from 7am where this is an industry requirement. Students will not be required to work longer than an eight-hour shift.

Should these conditions for practical placement cause undue hardship please see the Course Coordinator prior to enrolling in the course.
