3. BACKGROUND AND LEGISLATION

Background

Income from fees, is required to meet all the costs incurred by the service in the delivery of the children’s program.

DET requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable fees at the time of enrolment.

The Department of Education and Training (DET) provides funding for each child who is enrolled and attending a funded kindergarten program in the year before school. Income from other sources,
primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children’s program.

DET also funds Early Start Kindergarten for three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in The Kindergarten Funding Guide (refer to Sources).

2. Why fees are necessary
Pines Learning Childcare provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

3. How fees are set
As part of the budget development process, the Board of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget ‘break even’ point.

4. Other charges
Other charges levied by Pines Learning Childcare are included on the Statement of Fees and Charges. These include:

- **Excursion/service event charge:** This additional charge is required to cover the cost of excursions or special events that occur throughout the year in response to emerging children’s program needs and interests. Affordability and relevance to the children’s interests and the service program will be taken into consideration before a decision is made that will require families to pay this additional charge (refer to *Excursions and Service Events Policy*). Events that are planned ahead are included as an expenditure item in the service’s budget and do not incur this additional charge.

- **Late collection charge:** The Board of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Board of Management.

5. Statement of fees and charges
All fees and charges may be accessed on the Pines Learning website [www.pineslearning.com.au](http://www.pineslearning.com.au) and on display in the Centre. A statement of fees and charges will be provided to families on a fortnightly basis.

6. Subsidies
Families will be eligible to take holidays with a 50% fee reduction for two weeks every year (at the discretion of the Nominated Supervisor) or families may wish to pay full fees and utilise make up days if they are available.

7. Child Care Benefit (CCB) and Child Care Rebate (CCR)
CCB and CCR are an Australian Government payments that can assist eligible families with the costs of childcare at an approved or registered care provider. Pines Learning Childcare is an approved care provider with the Family Assistance Office (FAO).

(Note: There will be changes to child care assistance from 2 July 2018. More information about the New Child Care Package can be found at: [www.education.gov.au](http://www.education.gov.au))
Approved care is childcare that meets certain standards and requirements, and is approved by the Australian Government. Approved care providers must hold a licence to operate, have qualified and trained staff, be open certain hours and meet health, safety and other quality standards. Most long day care, family day care, before-and-after school care, vacation care, some occasional care and some in-home care childcare services are approved providers. Pines Learning is classified as Long Day Care and is an Approved Provider.

The amount payable is set by the Australian Government. Further details are available at: www.humanservices.gov.au/customer/themes/families or telephone 136 150.

8. Payment of fees
The Board of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families’ cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions.

Parents/guardians experiencing difficulty in paying fees are requested to contact the nominated supervisor to arrange a suitable alternative payment plan. The Privacy and Confidentiality Policy of the service will be complied with at all times in relation to a family's financial/personal circumstances.

9. Unpaid fees
If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child’s place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Board of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child’s place at the service, the parents/guardians will be provided with 14 days’ notice in writing.

10. Refund of fees
Fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Nominated Supervisor). There will be no refund of fees in the following circumstances:

- a child’s short-term illness
- family holiday during operational times
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

11. Support services
Families experiencing financial hardship often require access to family support services. Information on these services is available from the service provider and a list can be supplied to those families who require it. If your service does not already have this information a good place to start is with your local council.
12. **Notification of fee changes during the year**

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget ‘break even’ point. Parents/guardians will be notified one month in advance of any required fee increase and will be offered the option to request a payment plan.
